

PROBUS CLUB OF HUNTERS HILL AND DISTRICT

Newsletters

PURPOSE:

To provide clarity on numbers of Active Retirees magazines and use of colour for the Club's monthly newsletters.

ACTIONS:

In early 2019, as part of the budget process, the Committee looked at all newsletters and costs and resolved:

To ask PSPL to reduce the number (and therefore cost) of *Active Retirees* magazines to 25, noting that the pick-up rate by members was low leading to considerable waste

To ask the newsletter editor for a quote from the printer on colour versus black and white. The printer continues to provide newsletter in colour at no additional cost to the Club.

A majority of members receive their newsletter by email.

Date of Management Committee confirmation of policy:
