Probud Club of Hunters Hill and District

**Our Mission is to foster friendship, fellowship and fun
Our Strength and our Future is our Members**

What is Probud?

The basic purpose of Probud is to provide regular gatherings of persons, who appreciate and value opportunities to meet others in similar circumstances with similar levels of interest.

Probud opens the door to new experiences and friendships. You can hear wonderful guest speakers who will enlighten and stimulate you. You can stay active by participating in a range of activities.

Fellowship, intellectual stimulation and enjoyment are the foundations on which Probud is built.

Membership

Our members reflect a broad range of interests including, business and finance, the professions, government and academia. They come chiefly, but not exclusively, from the Hunters Hill area. Membership is open to both males and females, but partners and guests are welcome to join in social events.

General Meetings

The Club meets usually monthly, starting at 9:30 am on the first Tuesday of the month at Gladesville Sporties Club, 181a Ryde Road, Gladesville. After a brief business meeting, we enjoy morning tea followed by a guest speaker.

Guest Speaker Program

At monthly meetings outstanding guest speakers provide stimulating presentations on a range of interesting topics. Presentations are usually one hour long including questions. A brief summary is included in the Club Newsletter.

Social Program

On the Thursday evening, following the Tuesday general meeting there is a convivial gathering for dinner at the Club. Between monthly meetings, Social Events are arranged to visit destinations or organizations of particular interest. Generally these are day events. You will rapidly enhance your friendship with other members by attending these outings and special events.

Club Newsletter

A monthly Club Newsletter is distributed by email to members. This includes details of the previous monthly meeting, a summary of the Guest Speaker's presentation and other news items. It provides details of Social Events for the next two or three months as well as a summary of Social Program for the rest of the calendar year.
