From the President

This month of March seems to be flying by. Perhaps it is simply because I'm somewhat feeling my way fulfilling the functions of president. My phone needs to be answered more often, the emails are greater in number, as are the text messages, and questions are numerous. I thank David Lorschy for his patience and assistance as he answers my questions and gives advice when asked.

It was my great pleasure last week to have morning tea with Wendell Watt, an esteemed club member, who recently had the Book Launch of her latest book of poems. The poems are varied, poignant, meaningful and beautiful, one of which is printed in the newsletter.

Also, last week I had the very interesting experience of being part of the shooting of a video/film. What goes on behind the scenes of a shoot is truly amazing. Talk about lights, camera, action. It seemed frenetic, yet all these young people remained calm and knew exactly what to do next. I think the director played a significant role in that calmness. A hint re the subject: Residential Aged Care.

The season of Autumn is now with us, so cooler nights and mornings, which means for many of us a finding of new energies. By the time we have our next meeting Easter celebrations will have passed and with it the excuse to indulge in perhaps a chocolate feast.

Don't forget Daylight Saving ends on the 7th April, so remember to put clocks back one hour.

Good Old Days Concert

On Monday 18th March our usual group of Good Old Days Concert goers went along to Sydney Town Hall to see Australia's Favourite Tenor David Hobson in concert with Bernard Walz conducting The Good Old Days Concerts Orchestra and introducing soprano Bridget Costello.

Not just a tenor, David Hobson is a consummate actor, interpreter, story-teller and entertainer, and entertain he did.

As his special guest, David introduced us to rising-star soprano Bridget Costello, currently Thrilling audiences internationally as Christine Daae in Lloyd Webbers "Phantom of the Opera". As always, Bernard Walz conducted the Good Old Days Concert Orchestra.

Our next concert is May 6th with Marina Prior.

Tickets already purchased. Diarise 16th September Classical Gala music from the movies.

Lunches

Exotic Lunch - Friday 12th April
 Sri Lankan at 'KANDY'
 21 Glebe Point Road Glebe
 12:00 PM

I investigated several venues for our next Exotic lunch, again not many restaurants cater for lunch time and if they do, they are not offering individual billing! I was very disappointed the attitude of the Middle Eastern restaurant that I was looking forward to organising our exotic lunch. But 'No Go'.

So, I decided on this Sri Lankan restaurant that is open on Fridays for lunch and will accept individual orders and payment.

It is in Glebe, 21 Glebe Point Road, close to Broadway and it is only 2- 3 minutes' walk to secure parking at Broadway shopping centre. There is 2 hours free street parking in Campbell Street and some 4 hours in Cowper Street which is across from the public school.

I took a copy of their menus, they have an extensive good selection, I perused the reviews received, it seems most are positive.

I printed copies of the menus for your perusal to get some ideas of dishes that are on offer. I was assured by the owner that they will look after us well. But he said that in order to prepare and serve the dishes without delay and together, it will be helpful if they know what our members selected.

The Restaurant is fully licence, but it is BYO wine only.

Please indicate your attendance during Tea/Coffee break for me to be able to book. Plus, if possible, select your order.

Shavarsh

Shavarsh also advises that the lunch in May will be of the "Scenic" variety and will be held on Friday 10th May at the 'Royal Sydney Yacht Club' in Kirribilli. (arranged in collaboration with Tony Saunders)

I understand that Shavarsh will be organising both Exotic and Scenic lunches in future. At the moment I'm not aware of the timing of each event.

Mike

President's Report to the 2024 AGM

Presentation of this report is my penultimate duty nearing the end of my 12 months term as President of this Club. My only remaining function will be to install my successor after the election of the new Committee members.

It has been an interesting and satisfying year, with some unexpected issues that caused a significant amount of extra work for me and some Committee members, but I think we resolved those issues satisfactorily. I hope that your continued membership of the Club and your attendance here today confirms your satisfaction with the way the Club has functioned for your enjoyment and fellowship.

Active membership of the Club increased by a net eight since the last AGM. The eleven new members in that time, in the order they joined, are Dr Margaret Stuart, Dr Kalev Wilding, Toni Alexander, Trevor Edgoose, Dr Sandie Bredemeyer OAM, Robert Hertzog, Sarah Mannix, Marilyn Johnson, Jan Griffiths, Dr John Timmins and Diane Kelly.

Sadly, we lost to death four eminent members of the Club – Jim Likidis who was Treasurer when he died and a great “ideas” man who always had a scheme “on the go”; Greg Griffiths, a past President and an expert recruiter of new members (and the uncrowned “King” of Hunters Hill); Josef Stockreiter, a past Secretary and a smiling, stalwart supporter of Club activities; and Les Osborne, a Life Member and the longest serving Club member at the time of his death, although he was classified as a Non-Active Member for some time and therefore wasn't included in the Club membership numbers.

Throughout the year, various Club members received Certificates and lapel pins in recognition of their long membership of the Club: Barbara Banner, Peter Kelly and Robyn Hogan on 6th June for 10 years membership; Merle Denton on 1st August for 15 years; Lynn Benson on 5th September for 10 years; and Rod and Dellane Stewart on 5th December for 10 years membership.

We were very impressed to see in the King's Birthday Honours list in June 2023 that our fellow member and Leader of our Wine Tasting Group, Dr Richard Jones, was awarded an AM for significant service to medicine in the field of spinal injury and rehabilitation. We all toasted your recognition, Richard!

We enjoyed a variety of Guest Speakers throughout the year, for which we thank our Speakers Officers, Deborah Lohman and Jenny Thomson. Unfortunately, Deborah had to resign from the position on 26th June 2023 because of her health problems, but thankfully, Jenny Thomson volunteered and was appointed to the role on 1st August 2023.

We enjoyed the traditional lunches in the Club's annual calendar of activities, with the President's Lunch on 22nd June 2023 at “The Apprentice” restaurant of Sydney TAFE in Ultimo; the Christmas Lunch on 12 December 2023 at “Gladesville Sporties”; and the Birthday Lunch last 22nd February at “Carmen's in the Park” at Five Dock. Our Club again joined with the Rotary Club of Hunters Hill to celebrate “Probus Month” on 11th October with a gala dinner at the Hunters Hill Club. We agreed with the Rotary Club to make that dinner an annual event as an addition to our Club's calendar.

Thanks to the organising efforts of Jill Regnis, many of us enjoyed a trip from 7th to 13th May 2023 to Bright via Wagga Wagga and Canberra to see the Autumn colours and some of the Victorian Alps and surrounds. Jill also organised a trip from 20th to 28th October 2023 on the “Proud Mary” on the Murray River and to parts of South Australia. Jill Regnis and Bob Way organised a “Christmas in July” trip on 25th and 26th of that month to Berida Hotel in Bowral. These trips provide great opportunities to see different parts of the country and for fellowship with Club members and others on the tours.

The late Jim Likidis, assisted by Bob Way, organised an evening outing by Club members on 16th August to the vibrant Tina Turner Show at the Theatre Royal. Bob Way organised an outing on 11th August to the exhibition on the 50th anniversary of the opening of Sydney Opera House at the Museum of Sydney, a luncheon cruise on 13th September with the Riverboat Postman on the Hawkesbury River and our traditional “sausage sizzle” on 17th November at the Kokoda Track Reserve at Concord. Barbara Banner organised group outings to “Good Old Days” concerts at Sydney Town Hall on 15th May, 18th September and 13th November 2023. These outings also allow development of membership socialising and bonding.

I gratefully acknowledge the efforts of our Special Interest Group Leaders in providing a variety of activities for your fun, fellowship and enjoyment: Dean Letcher and Shavarsh Bedrossian for Exotic and Scenic lunches; Dean Letcher, Lesley Pike and Kathy O'Sullivan for the Plant Swaps; Margaret Timbs and Peter Kelly for art gallery trips and lunches; Margaret Timbs and Juliet Bishop for the Book Club; Sandy Mower for Movie outings; Richard Jones for the Wine Appreciation afternoons; Graham Holland for publicising many opportunities for music appreciation in our vicinity; the late Jim Likidis and Jim Macready for leading the Golf players; and Margaret Timbs for organising dinners monthly on the Thursday evenings after our General Meetings.

I also thank Judy Davey and her various helpers, including Dawn Saunders, for boosting Club revenue by organising and running the raffles at our monthly meetings.

Spurred on by Vincie Wahlquist and assisted with transport by Harry Hall, we collected and donated food and house hold goods for Winter and Christmas distributions by Sydney Community Services to needy people in the community.

On 2nd May 2023, the Management Committee approved the appointment of a Subcommittee, chaired by David Crouch, with Secretary Charles Kent and with Ashlyn Allum, Carole Clancy-O'Hehir and Sandy Mower, with Terms of Reference to propose, plan and implement a program of events to celebrate in 2026 the 50th anniversary of the foundation of our Club, being the first Probus Club in Australia. The Subcommittee has developed a program of events throughout 2026, starting with a catered celebratory morning tea at the General Meeting on 3rd February 2026, followed by a formal Anniversary Luncheon on 20th March 2026 at Parliament to which the Governor will be invited. Other proposed celebrations include publication of a book about the history of the Club and its members, a Mayoral Reception, a 1970s-dress themed party, a Harbour cruise lunch in Spring, a commemorative wine and anniversary year publicity

President's Report to the 2024 AGM (cont'd)

throughout 2026.

I am thankful that the Club has been able to continue meeting at Gladesville Sporties throughout the year on very favourable terms for our Club, despite long-mooted rebuilding works recently starting on the host club house. Unfortunately, our storage cupboard containing the Club's honour boards, public address system and boxes of Club records remain in the basement of Henley Community Centre, where access to them is difficult. However, I am grateful to Hunters Hill Council for allowing free storage of the cupboard.

I remind you that at the General Meeting on 5th December 2023, this Club agreed to advise Probus South Pacific Ltd that it had no objection to the proposals by PSPL to revise standard Probud Club Constitutions and Standing Resolutions to make Club administration more flexible and efficient. PSPL has foreshadowed that the revised rules will be distributed to Clubs in May 2024, so the next Club elections may be conducted under different procedures.

Also at that General Meeting, our Club agreed to the term of the President elected at the 2025 AGM being extended to two years because of the special circumstances of the 50th anniversary of the Club occurring in 2026. Consequently, in the usual course of office-bearing in this Club, the Vice President to be elected today will become President from March 2025 until March 2027.

The untimely death of Jim Likidis, then Treasurer, caused considerable disruption to the Club's financial management because of difficulty finding and accessing some records of Bank accounts, credit card machine supplier and unfamiliar methods of recording the Club's finances. I am very grateful to Josephine McBride for volunteering to assist Jim as Acting Treasurer when he was ill and then to be Treasurer after Jim died. I am also very grateful to Jim Macready for resolving problems that Josephine and I had in finalising the Club's accounts.

I record my thanks to the members of the Management Committee for the last year for their service to the Club: Margaret Timbs as a reliable Vice President; Margaret Bowman as a diligent Secretary; Josephine McBride as a very conscientious Treasurer and Welfare Officer; Bob Way as a hard-working and quick-learning Activities Officer; Kevin Manie as a hard-working Membership Officer; Jenny Thomson as a quick-learning and diligent Guest Speakers Officer; and Mike Allum as our Communications Officer for Newsletter and web-site co-ordination. Mike's contribution to the Club is immense and we would be lost without a "voice" without him. I also thank Dean Letcher for his contributions while he was able as Past President and wish him continuing recovery from the stroke he suffered.

I think I achieved my objectives when I was installed as President:

To continue operation of the Club by providing opportunities for varied activities for members to enjoy; by recruiting new members so that the Club has the personal and financial resources that it needs for successful operation; and by starting preparations for activities to celebrate in 2026 the 50th anniversary of the Club's foundation.

I hope that you agree that the numbers of Club members participating in the varied operations and activities of the Club, as recited in my report, confirm that we have a vibrant Club that offers fun, friendship and fellowship which we all enjoy.

Thank you for the honour of electing me President and allowing me to know you better. I enjoyed the experience. I will never forget it.

I offer my support and best wishes to the new Committee soon to be elected.

"Birnam Wood"

by

Eleanor Catton

Five stalwarts of the group met to discuss ". We found it to be long, verbose and sometimes unnecessarily detailed. We could not see an obvious connection to the Shakespearean Birnam Wood of Macbeth. Although few had read it cover to cover an interesting discussion was had, aided by notes from Margaret Timbs who could not attend.

In this novel, Birnam Wood is an unregulated, undeclared, sometimes philanthropic sometimes criminal, guerilla gardening collective that plants crops wherever no one will notice.

A landslide in NZ's South Island which has cut off the town of Thorndike presents an opportunity for the group to occupy an abandoned farm and hopefully break even. Mira is investigating the property when she comes across Robert Lemoine, an American Billionaire, who has other plans for the property. Read on....

After the discussion we enjoyed afternoon tea, kindly provided by Carol Timmins.

Next month on 19th April we will be discussing '**Demon Copperhead**' by Barbara Kingsolver.

Juliet Bishop

Wendell's Book Launch

As reported in the February Newsletter, Club stalwart Wendell Watt had a successful book launch of her 2nd book of poetry.

'Her poems take inspiration from the natural world, and reflect on a range of life experiences and the humorous absurdities that crop up along the way.'

We were served a lovely afternoon tea, accompanied by champagne, wine, tea or coffee. Wendell was successful in selling all her books and has taken orders for more copies.

Apologies from our on-site photographer. Barbara Gardener was in attendance but was not included in the photograph.

An extract from Wendell's book, reprinted here With Wendell's permission.

Jacarandas

A froth, a riot
 an extravagant exuberance of blue.
 What show-offs they are
 those jacaranda trees
 needing to prove they are more beautiful
 than anything else
 in November streets.
 They blanket the burn of flame trees
 insisting 'It's our turn now'
 while thumbing their noses at Christmas bush
 which lights up in December.
 And then, the party over
 when they are done with admiration
 they carpet our dirty paths with blue.

We look down
 and see the blue turn into mush.
 Sweep it away
 thinking of next November...

Art Group

Members of our Art Group visited the Art Gallery of NSW to view the **“ArtEpress 2024”** display. It is the annual showing of the best of students work for their HSC.

My personal thoughts, some of the artwork by students is outstanding, I am not a fan of some of the abstract's, however - but that's me.

The best in my view was a painting reminiscent of Jeffrey Smart's work.

Tony Saunders

Biripa's Totem” by Sophie Elizabeth Lear.

This artwork was one of my favourites as it showed an unusual technique using white raku, which is a clay based product and ink on Stonehenge paper.

The beautiful fine paper that resembles vellum created an interesting medium for the subject matter, The Great White Shark.

I particularly loved the use of pearlised ink which shimmered like water. The colours and the embossing gave the feeling of the shark moving through the waters.

Complimenting the artwork on the wall, were magnificently hand made highly decorative pieces of ceramics, also inspired by Aboriginal culture.

Barbara Enright

The Art of Persistence
Corvette O'Keefee
Xavier High School.

This sculptural work was created from paper, laser cutter and MDF board. Based on the mythology of the Phoenix. Accomplishments are often born from hardship and adversity and we are reborn stronger on the other side.

This paper sculpture was inspired by Jeff Nishinaka's paper sculptures.

Corvette used her full scale drawing and embellished it with burnt and etched statements.

For our Art Group event for April, we will meet at the SH Ervin gallery, Watson Rd., Observatory Hill at 11.00 am on Friday 26th April, 2024. We can all then all enjoy lunch at the café adjoining café.

I will need names of those wishing to attend and stay for lunch to enable me to make a booking at the café.

An exhibition of works from over 50 years in the making by artist Sally Robinson. Sally Robinson, is a Sydney-based artist born in the UK who studied at the National Art School in Sydney from 1970-1973.

During the 1970s and 80s, Robinson was one of the leading exponents of Australian printmaking. Her screenprints, featuring areas of bold, bright colour, were acquired by public collections throughout Australia and she received many commissions for print series. Her subjects were unashamedly Australian – the beach, the outback, cockatoos and parrots.

In the 1990s she turned to painting and in 1999 made her first appearance in the Archibald Prize as a portrait painter. Her technique requires the use of stencils to create a dynamic, pixellated surface texture, reminiscent of the fine dots on the silkscreen press, re-imagined in her paintings.

In 2012 & 2019 she won the Portia Geach Memorial Award for portraiture, the Shirley Hannan Portrait Prize in 2016 and the Gallipoli rt Prize in 2015.

Movies

The Great Escaper is a 2023 biographical drama film directed by Oliver Parker, written by William Ivory, and starring Michael Caine and Glenda Jackson.

It is based on the true story of 89-year-old British World War II Royal Navy veteran Bernard Jordan who "broke out" of his nursing home to attend the 70th anniversary D-Day commemorations in France in June 2014.

Ten members, it's unknown if they were all die-hard Michael Caine fans, thoroughly enjoyed the experience.

Six of the group then enjoyed an excellent Cuban meal afterwards.

Sandy

Probus Music

I hope you enjoyed something from the long list of what was available in March.

I heard the Ku-ring-gai Philharmonic Orchestra, playing Mahler's Second Symphony. I actually don't like Mahler, too much Germanic dramatic soul-searching.

However, he was a master, orchestrator, and it was good to hear a big orchestra playing with passion and enthusiasm to a full house. And it was a big orchestra; eight French horns with four above the orchestra and five trumpets with four above the orchestra.

A lot less in April! Enjoy!

Wednesday April 3, 12 pm.
